

Customer Referral Program

Earn \$100 for referring a future POPP customer!

POPP helps business professionals operate a business communications center that pays for itself by increasing productivity and lifetime value of customers. We want all customers to be so pleased with their relationship with POPP that they recommend our services.

Be rewarded for referring businesses to POPP.

As a POPP customer, you've enjoyed the best customer service in the industry and appreciated the attention to detail only a local provider can provide. We want you to feel comfortable referring your friends, family, and business associates to POPP and reward you for introducing us to our next satisfied customer! When your referral becomes a POPP customer, you'll receive one free month of Network services or \$100 (maximum).*

POPP's Customer Referral Program is as easy as 1-2-3.

1. Introduce POPP to people within your social networks.
2. Complete and send this referral form to POPP.
3. Once your referral signs a 12-month commitment or purchases a telephone system, receive your reward.
